

## SHUHAI JUNMAI-SHU

“Shuhai” means Vermilion Celebration Cup. This sake pays tribute to Chiyonosono pioneering the revival of Junmai in 1968. After every first pressing, brewery workers celebrated the revival by passing around sake in a red sakazuki cup.

A Kura Master Platinum Award winner, SHUHAI's gentle texture and refreshing taste pair well with Japanese food and meat dishes. Perfect for any celebration.

ABV: 15%
